RESPONSE

In response to the action mailed October 3, 2001, please amend the application as follows:

In the claims:

Please cancel claims 1, 16-18, 23 and 25.

COPY OF PAPERS
ORIGINALLY FILED

Please amend claims 2, 8, 9, 19-22, 24 and 26-28 as indicated in the attached sheets to read as follows:

(Once Amended) A method of analyzing a flow for an accounting application, comprising:

capturing an IP packet from a network segment;
determining if the captured IP packet includes a message of a first protocol type for providing error reporting, the message having an IP packet that triggered an error event embedded within, the embedded IP packet being of a second protocol type and having a flow associated therewith;

correlating the flow associated with the embedded IP packet to a stored parent flow of a given state, thereby associating the error event with the given state of the stored parent flow; and

CERTIFICATE OF MAILING BY FIRST CLASS MAIL

I hereby certify under 37 CFR §1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated below and is addressed to the Commissioner for Patents, Washington, D.C. 20231.
